To: court clerk:

Dear madam/sir

I'm writing to you in regard to
an error I made, civil action # is 04-30201-KPN.
I wanted the above action to be a 42 USC § 1983.
Is it possible if I can ammend it to a 42 USC § 1983?
If not, then I'm prepared to submit a separate action
being 42 USC Subsection 1983
I would greatly appreciate your aid and response in
this matter.

Thank you
David Ribeiro Pro Se
